Communications:

- Through Instagram Group chat
- Group Chat responded to within 1 business day
- Check and respond to Group Chat once per day
- If someone ghosts or repeatedly misses meetings, we will speak to them after lecture and get them to verbally agree to a new meeting time, and their responsibilities. If this happens more than twice, we agree that the person will get kicked out.

Effort expectations:

- We all plan to achieve a "B+" in the class, ideally an "A" :)
- We will spend a minimum of 5 hours a week on lab work

Roles:

- Justin: Tech Lead / Coder / Writer / Editor
- Osinachi: Tech Lead / Coder / Designer
- Vienne: Organizer / Note-taker
- Austyn: Lead Robot Maker / Designer - drawings / Writer / Editor

Feedback:

- We will use the "standup" method (<https://geekbot.com/blog/daily-standup-meeting>) on Friday meetings to inform each other of what we're working on and what we need for success.
- We will give each other feedback using the "compliment sandwich" method, i.e. two good things for every bad thing.
- We will use non-violent communication (<https://www.cnvc.org/>) to try to come to a consensus on difficult issues for the most part.
- However, if consensus is impossible, we will revert to Robert's Rules (<https://www.boardeffect.com/blog/roberts-rules-of-order-cheat-sheet>) and abide by a majority vote. Ties are decided by coin flip or rock-paper-scissors.

- Each Friday, we will use the “postmortem” method to reflect on what worked well about working together that week, what didn’t work well, and what we will improve.
